Relationships

At the start of each month we focus on Mission. On 1st July Ken and Christine Cowell, recently returned from Japan, will be updating us on their plans for the future. Alistair Ruff will also be giving us some prayer points for his trip to Hebron School.

During the month there are Home Groups that meet in different areas of the city. There should be one near where you live, ask one of the church leaders for details. The studies in July are continuing to look at Wisdom in the book of Proverbs.

A word about communion at Mack Jesus gave various instructions to his followers, as recorded in the Bible, including a command to remember his death and resurrection by sharing bread and wine together. The Bible says this way of remembering Jesus is for people who have become Christians through personally repenting of their sins and accepting Jesus' sacrifice as the only way they can be put right with a Holy God. When indicated that the service includes communion, the bread and wine will be brought to you in your seats. If you have made this personal commitment to the Lord Jesus Christ then we are happy for you to join us in the bread and wine. If this is not where you are yet in your relationship with Jesus then we are happy for you to stay and enjoy the service but please pass the bread and wine along to the next person when it is passed to you.

Offerings at Mack

If you are not a member at Mack please do not feel any obligation to put money in the offering but just feel free to pass the offering bag onto the next person.

The offerings are taken during the service that includes communion- one for the running of the church and the second for a specific organisation, missionary or work that we are supporting, as below

1st July (Weds pm) **Ken and Christine Cowell**

5th July (pm) **Mack Missionaries**

12th July (am) **Dodds family**

22nd July (Weds pm) **Cardiff Camps**

26th June **"Show Jesus"**

"Show Jesus has a vision to be able to turn up at a site with a lorry containing all the necessary equipment to run an event such as a family fun day or county show.

All that a local group of christians need to do is provide the advertising and manpower to run the event rather than worry about all the equipment that is required."

July 2009

Therefore, I urge you, brothers, in view of God's mercy, to offer your bodies as living sacrifices, holy and pleasing to God—this is your spiritual act of worship. Do not conform any longer to the pattern of this world, but be transformed by the renewing of your mind.

Romans 12 1-2
